Xi'an Tianrui Petroleum Machinery Equipment Co., Ltd.

About Us

- Established in December 2010, TR Solids Control is a professional manufacturer specializing in the R&D, production, sales and technical service of solids control equipment and mud recovery systems.
- Headquartered in Xi'an Economic and Technological Development Zone, the company covers an area of over 40 acres and employs 350-450 skilled professionals, including a dedicated R&D team of experienced engineers and technical experts.
- TR Solids Control has established a global presence, delivering reliable solutions to over 60 countries and regions across North America, South America, Europe, Asia, the Middle East and Africa.

About Us

Production Capacity

- Our company operates a modern manufacturing base covering a total area of approximately 35,000 square meters, including 22,000 square meters of standardized industrial workshops. We have established independent blanking, machining, welding, assembly, finished product inspection and warehousing & logistics centers, realizing a full-process closed-loop production system from raw material warehousing to finished product delivery.
- We have established a comprehensive quality control system, equipped with high-precision testing equipment such as coordinate measuring machines, ultrasonic flaw detectors, hardness testers and dynamic balance testing machines. All products are inspected in full accordance with international standards.

Diesel Tank

Introduction

- The Elevated Diesel Tank is a standard auxiliary unit for drilling rigs. It is mainly used to store and supply diesel fuel to drilling rig diesel generators and fuel-fired boilers, providing a reliable solution for on-site fuel storage and supply.

Function Features

1

Multi-Purpose Fuel Tank
Supports fuel unloading, storage, and supply.

2

Explosion-Proof Design
Durable construction for safe operation.

3

Metering & Filtration
Ensures clean and reliable fuel supply.

4

Foldable Elevated Tank
Easy to transport and requires no external power.

5

Automatic Fuel Supply Control
Reduces manual operation and labor costs.

6

Optional Heating System
Ensures reliable operation in extremely cold conditions.

Model	Main Tank Capacity (m³)	Elevated Tank Capacity (m³)	Oil Pump Power (kW)	Overall Dimensions (mm)
TRYG103	10	3	3	7000x1800x2300
TRYG204	20	4	4	8000x2200x2500
TRYG305	30	5	5.5x2	9000x2800x3000
TRYG355	35	5	5.5x2	10500x2800x3000
TRYG405	40	5	7.5x2	12000x2800x3000

Xi'an Tianrui Petroleum Machinery Equipment Co., Ltd., established in 2010, is a modern manufacturer of solids control equipment certified to both API Q1 and ISO 9001 standards.

Address: Baihualin Financial Innovation Center, Xi'an City, Shaanxi Province, China

Factory Address: No.2 Huochang Road, Yangling District, Xianyang City, Shaanxi Province, China
